Interactive sessions Disposable Systems

During the break-out sessions 3 experts in the area will provide an interactive presentation or on different aspects around Disposable Systems.

You are invited to select and attend 2 out of 3 sessions.

Each session will take 30 min, meaning you will get familiar with 2 different topics on Disposable Systems within 1 hour.

Session 1:

Design and validation of a sterile intermediate storage bag

– facilitated by Jan Wambeke (Pfizer)

Session 2 :

Use and implementation of disposable incorporated bags to prevent cross-contamination

– facilitated by Katrien Aerts (Novartis)

Session 3 :

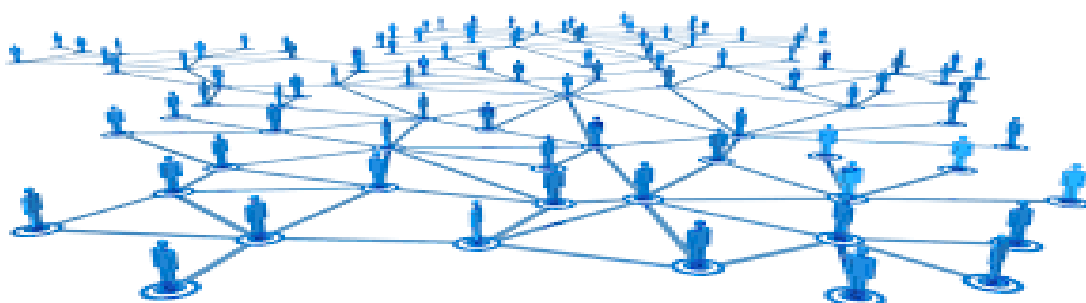

Design considerations for Single Use Systems in the pharmaceutical industry

– facilitated by Veerle Soetewey (VILS)

Registration - REQUIRED BEFORE 10th of May 2019

- . Limited availability (max 80 pers)
- . Open for ISPE members and non-ISPE members
- . Food and drinks included
- . Free entrance for students

ISPE, the International Society for Pharmaceutical Engineering, is the world's largest not-for-profit organization of its kind serving its members by leading scientific, technical and regulatory advancement throughout the entire pharmaceutical lifecycle.

ISPE delivers technical and operational solutions to support their members across the global pharmaceutical and biopharmaceutical industry in the manufacture of quality medicines for patients.

Like minded professionals are connected through a variety of communities, collaborating and sharing best practices on some of the industry's 'hot topics' (e.g. Tech-Transfer, GAMP, Lyophilization)

Connecting & Collecting

Connecting members person-to-person
Collecting relevant information to share

People Tools Knowledge

Benefits of an ISPE membership:

- Enriched knowledge: bi-monthly edition of Pharmaceutical Engineering Magazine and access to guidance documents
 - More ways to connect locally thanks to affiliate meetings and events
 - Site visits at major pharmaceutical companies
 - Easy access to colleagues around the world: take advantage of the ISPE's membership directory to connect with 20 000+ fellow pharmaceutical professionals in 90 countries, the Communities of Practices and networking at ISPE's international conferences and local events
 - Increased know-how as ISPE offers numerous onsite trainings and e-learning courses
 - Expanded global reach: ISPE's international conferences build and strengthen your ties with the top people working in the industry as well as regulatory agencies
 - Accelerated career advancements through ISPE's career solutions online job board
 - Member-only savings on Baseline®, GAMP®, Good Practice Guides, PQLI® and ISPE guides
