

INVITATION TO
AFTERNOON EVENT
ISPE NORDIC CV CoP
Microbiological Sampling and Analysis

April 11th 2019 at 14:00-17:00

Novo Nordisk A/S, Smørmosevej 17, Auditorium 6B, 2880 Bagsværd

Event description: The Cleaning Validation CoP would like to invite you to an afternoon event with the topic of Microbiological Sampling and Analysis for Demonstration of Cleanliness of Pharmaceutical Manufacturing Equipment. Appropriate selection of sampling and analytical methods are prerequisites for reliable demonstration of cleanliness of process equipment. At this event requirements and expectations from authorities to microbial monitoring will be addressed. Also, different analytical techniques will be presented.

Who should attend: In general people working with pharmaceutical cleaning and cleaning validation, such as Process Engineers, Quality Engineers, Quality Control, Quality Assurance and Project Managers.

Participation fee: Free*
*ISPE membership required

www.ispe.org/nordic-affiliate

Program:

Time	Subject	Speaker
14:00	Why take samples for microbial analyses as part of cleaning validation? What is required and expected by authorities?	Ulrik Kornum Nielsen, Cleaning Specialist, Novo Nordisk A/S
14:45	Microbial analytical techniques (CFU and endotoxin), classical and fast methods	TBD
15:30	Refreshments and networking break	
16:00	ID of microorganisms, why and what can it be used for related to cleaning validation of pharmaceutical process equipment?	Peter Annel, Specialist, Novo Nordisk A/S
16:45	Wrap up	

Ulrik Kornum
Nielsen
Cleaning Specialist

Peter Annel
Specialist

The CoP afternoon events are perfect opportunities to meet, discuss and network with colleagues from the industry and authorities and consultants working with cleaning of pharmaceutical process equipment.

Participation fee: The event is free of charge but in case of no-show, you will be charged a service fee of 50 Euro.
Each ISPE member participant can bring a non-member as guest.

Register here: <https://ispe-nordic.nemtilmeld.dk/19/>

Deadline: 08.04.2019

Your personal ISPE membership ID must be provided at check-in.
