Hosted by:

ISPE San Francisco Chapter – Women in
Pharma (WiP)

WiP Committee Chair: Anamica
Srinivasaragavan

What is Allyship? Why is it important?

Women empowerment, inclusion, and equity in the workplace can be driven to true success with the partnership and support of male allies. This event will facilitate discussions with established industry leaders to bring male Allyship in Focus for the purpose of awareness, education, and a call to action. Join Women in Pharma as we reflect on allyship through the lens of **Drew Johnston** – Vice President, Site Engineering Berkeley at Bayer, **Greg Guyer** – Chief Technical Officer and Executive Vice President of Global Manufacturing and Technical Operations at BioMarin, **Carolina Valoyes** – Head of Corporate Quality Systems at Boehringer Ingelheim, and **Joydeep Ganguly** – Senior Vice President, Corporate Operations at Gilead Sciences. Moderated by, **Nick Ribaud** – Single-Use Technology Platform Engineer at Bayer and **Tugce Duzener** – Senior Project Engineer at Bayer.

SAN FRANCISCO CHAPTER WOMEN IN PHARMA (WiP)

More about the panelist:

Drew Johnston
Vice President, Site Engineering Berkeley, Bayer

Drew Johnston's current responsibilities for Bayer include site infrastructure maintenance and operation, IoT, facilities management, capital projects, qualification, and long term site development management. Drew has extensive Biopharma, Pharma, and Medical device experience with various roles ranging from consulting engineering to project planning and delivery management to facilities and maintenance leadership. Drew obtained a B.S. in Engineering from Syracuse University and an MBA from Rutgers University.

Greg Guyer
Chief Technical Officer and Executive Vice President of
Global Manufacturing and Technical Operations, BioMarin

Greg Guyer, Ph.D. joined BioMarin in May 2020 and currently serves as Chief Technical Officer and Executive Vice President of Global Manufacturing and Technical Operations, responsible for overseeing our manufacturing, process development, quality, supply chain, engineering, and analytical chemistry departments. From 2015 to 2019, Dr. Guyer served in a number of increasingly responsible positions at Bristol Myers Squibb (BMS), primarily leading all of operations and biologic development. Prior to BMS, Dr. Guyer worked for Merck & Co., Inc., from 1994 to 2015, leading various global organizations in biologic and pharmaceutical operations, quality, regulatory, emerging markets strategy, and enterprise systems. He currently serves on the Board of Directors for the University of Georgia Research Foundation. Dr. Guyer earned his Ph.D. in analytical chemistry from American University, Bachelor of Science degree in chemistry from the University of Georgia, and Master of Business Administration degree from Lehigh University.

Carolina Valoyes
Head of Corporate Quality Systems at Boehringer
Ingelheim

Carolina Valoyes is the Head of Corporate Quality Systems for Boehringer Ingelheim, Inc. As a member of the Corporate Quality Assurance leadership team she is responsible for designing, managing, and improving BI's global Quality System across all divisions (Pharma, Bio, and Animal Health). She previously held the position of Site Quality Head at BI's Fremont Biopharma facility in California. Ms. Valoyes has 20 years of experience in biopharma manufacturing and quality operations, including positions at Bayer, Amgen, Novartis and Gilead. She holds a Master's of Science degree in Industrial and Systems Engineering from the Georgia Institute of Technology and a Bachelor's of Science degree in Engineering from Universidad de Los Andes.

Joydeep Ganguly
Senior Vice President, Corporate Operations at Gilead
Sciences

Joydeep Ganguly is Senior Vice President, Corporate Operations at Gilead Sciences. In his current role, he is accountable for a number of strategic functions, including corporate engineering and operations; infrastructure and capital planning; sustainability; risk management and resilience; global procurement; and the program management office. Joydeep also oversees Gilead's footprint strategy and corporate real estate portfolio. Prior to Gilead, Joydeep spent 10 years at Biogen, where he held executive positions of increasing responsibility the technical operations, manufacturing, and supply chain functions. He currently serves on the Board of Directors for the Bay Area Council, Science from Scientists, and North Carolina State University's Supply Chain Research Consortium. Recognized by ISPE with the Roger Sherwood article of the year, Joydeep has published extensively in areas of bioprocess optimization, supply chain transformation, and advanced process control. He was recently recognized by the National Diversity Council as a top 50 diverse leader in California. Joydeep earned a Master of Science in Electrical Engineering from the University of Notre Dame, a Master of Business Administration from North Carolina State University, and is currently pursuing a Master's degree in Healthcare Management from Cornell University.

Allyship In Focus Zoom Webinar Registration Instructions

Cost: Complimentary for ISPE Members / \$35 for Non-Members / \$250 Webinar Sponsor

Your sponsorship includes your logo on email promotions and event flyers and a link for your employees to join the webinar at no additional cost. You have the option of providing a promotional video of up to 30 seconds to be played during the webinar. You will also receive a link to view the webinar recording after the event and any handouts approved for distribution from the speakers. This information can be shared with your staff after the webinars.

Please note that our system does not email confirmations for complimentary events, however, you will receive a link to join the day before the webinar.

- 1) Click on the link then log on using your username and password: <http://www.atdevents.net/register.php>
- 2) Click on the appropriate event. Here is where you can download the event flyer also.
- 3) Scroll through the list of registration options and find the one that applies to you then complete the registration. Our site does not send confirmation emails for complimentary events, however, the link to join the webinar will be emailed to you the day before the webinar.

ISPE California Chapter Members:

If you are an ISPE Member in California, please do not set up a new account, as you should already be in our system (takes a few days after joining). You will need your username and password to log on.

How To Find Your ISPE Member Number or Update Your Account to a Member Account:

To update your existing account to a Member account, or to add your new ISPE Member account to our website, please forward your confirmation email from ISPE or your ISPE Membership information to Rob Fleming (rob.fleming@yahoo.com). We need your Chapter name, your ISPE Member number and expiration date. To retrieve this information, log onto the ISPE website. Click on "Account" on the top right side, then "My Account". Your Membership information (not including your chapter affiliation) is on the left side. Please take a screen shot or make a pdf of the page, then email it along with the name of your chapter to Rob Fleming to update your profile on the atdevents.net site.

ISPE Members of Other Chapters:

You will not be in our system unless you have previously set up an account. Please follow instructions for Non Members below then follow the instructions to update your account to a member account (see above).

Non Members:

If you do not have an account, you can set one up on the site using letters (not numbers) as your username.

HELP: Please email Rob Fleming (rob.fleming@yahoo.com) for assistance with registration.
